

Lunch with CFIs.

The flight instructors at Pearson Airport will be answering questions regarding FAASafety.gov and the airspace surrounding Pearson. Did you know Hillsboro just owned a new runway? Did you know Aurora is scheduled to get a tower? What is Part 93 airspace and what does it have to do with Pearson Field?

Directions: Join us in the Pilot Lounge at Pearson Field for free lunch and time with talented flight instructors.

A message from the National FAASTeam Manager
